

## **MATERIAL & SERVICES CHARGE**

Section 129 of the [Education and Children's Services Act 2019](#) allows schools, in consultation with their governing council, to set, collect and recover a materials and services charge (school fees).

A material and services invoice will be sent home with your child at the beginning of each year or soon after they enrol if enrolling during the school year.

If you are eligible for School Card please complete an online application at [www.sa.gov.au](http://www.sa.gov.au) or collect a form from the school front office. School card applications need to be made each year and at each school if you have children attending different schools.

Full or part payments of material and services fees may be made at the school front office by cash or card or through The Pines School Qkr app throughout the year. Any outstanding fees will be recovered by debt recovery.
