Goals	Targets	Challenge of practice
<p>1. To improve student achievement in reading R-7.</p>	<p>All students R-7 move from orange to SEA (green level) in reading and from red to orange (just below SEA) as measured by running records or PAT. All students R-7 achieve 12 months growth in reading.</p> <hr/> <p>Increase the number of students at or above SEA in reading. All students R-7 achieve 12 months growth in reading.</p> <hr/> <p>Increase the number of students at or above SEA in reading. All students R-7 achieve 12 months growth in reading.</p>	<p>If we develop consistency in the implementation of the English Agreement with a focus on Guided reading and the Big 6 of Reading then we will increase student achievement in Reading R-7.</p>
<p>2. Develop mathematical competency through automaticity and problem solving appropriate to the year level.</p>	<p>80 /101 students trust the count by the end of year 2. All students 3-7 achieve 12 months growth as measured by PAT-M.</p> <hr/> <p>Increase the number of students at or above SEA in maths. All students 2-7 achieve 12 months growth in numeracy.</p> <hr/> <p>Increase the number of students at or above SEA in maths. All students 2-7 achieve 12 months growth in numeracy.</p>	<p>If teachers and SSOs implement Big Ideas and mathematical problem solving, focusing on creating complex tasks, then students will further develop mathematical competency through automaticity and problem solving appropriate to the year level.</p>
