## *Leadership News*

Dear Families,

Welcome back to all of our students after an extended holiday. It is particularly pleasing to note that we have nearly everyone back at school. All the medical advice from the Health Department indicates schools are a safe environment for children to be in. We are maintaining our cleaning regime of surfaces and door handles within our school and have recently opened up our playgrounds (they also get a wipe-down before recess). These are good hygiene strategies, however it is also important that all children and adults regularly clean their hands and minimise contact with their faces.

Some children are still doing their learning at home and the teachers have worked hard to provide Learning Packs for them and keep in touch through Class Dojo.

Thank you to all of the parents who have been following Education Department protocols and dropping their children off at the gates. It is very important to let your child know which gate you are picking them up from after school, to avoid confusion it should be the same gate they got dropped off at in the morning. Everyone in our school community and indeed in South Australia are doing their very best to keep all of us safe and healthy.

Hopefully, before too long we can all return to normal routine.

## Have you noticed?

We have a collection of miscellaneous furniture that we are giving away. There are several filing cabinets - ideal storage in a shed or garage; sturdy teacher and student desks - good work benches.

We also have an *Euromaid* freestanding oven. It's in good working order, great for a holiday shack.

If you are interested in any of the furniture, please see the Front Office staff.

Please note that you must be able to collect the furniture yourself, with collection either before or after school.
