Principal's News

It was great to see so many special visitors at Grandparents Day. We hope that everyone who attended enjoyed the mini concert, the morning tea and visiting classrooms.

Sports day is coming up on the 27th September and we look forward to having families join us for the day.

Book Week at The Pines

Find your treasure

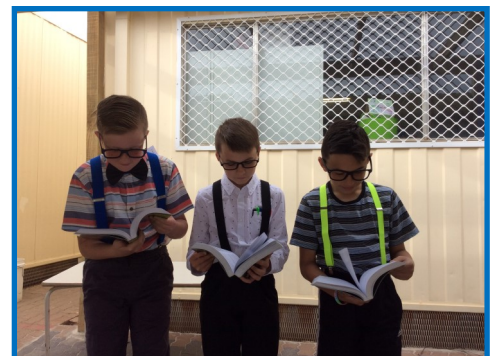

Last week was a fabulous week where students, teachers, SSOs, parents and families came together to celebrate book week and the enormous number of fabulous books that we have available to us at our school.

As always Ms Gina made a magnificent display in the library based on this year's theme - 'Find Your Treasure' as well as a display of the short listed books for 2018. These displays will be available for all to see for the next few weeks.

On Thursday we had a special dress up day where we came to school dressed up as our favourite characters from books or supporting the theme for 2018. The parade held on Thursday morning was a wonderful display of colour and smiles across all year levels.

Each day last week, students were able to buy a book or two from our annual Scholastic Book Fair. This is a fundraiser for our school and we thank all students, parents and grandparents who supported it.

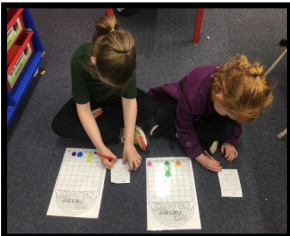

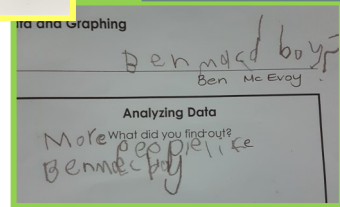

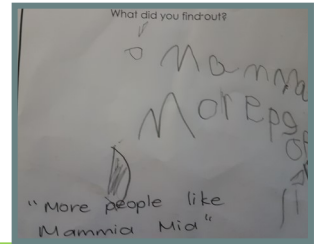

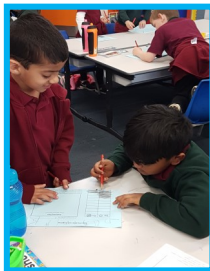

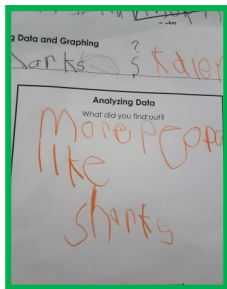

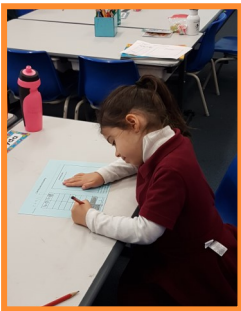

Book week Parade

Room 3

In Room 3 the reception students have been exploring Collecting Data and Graphing in maths. They have been creating questions, surveying their peers, answering yes or no to questions, representing their data on a bar graph and interpreting their findings. Here is some of our fantastic work!

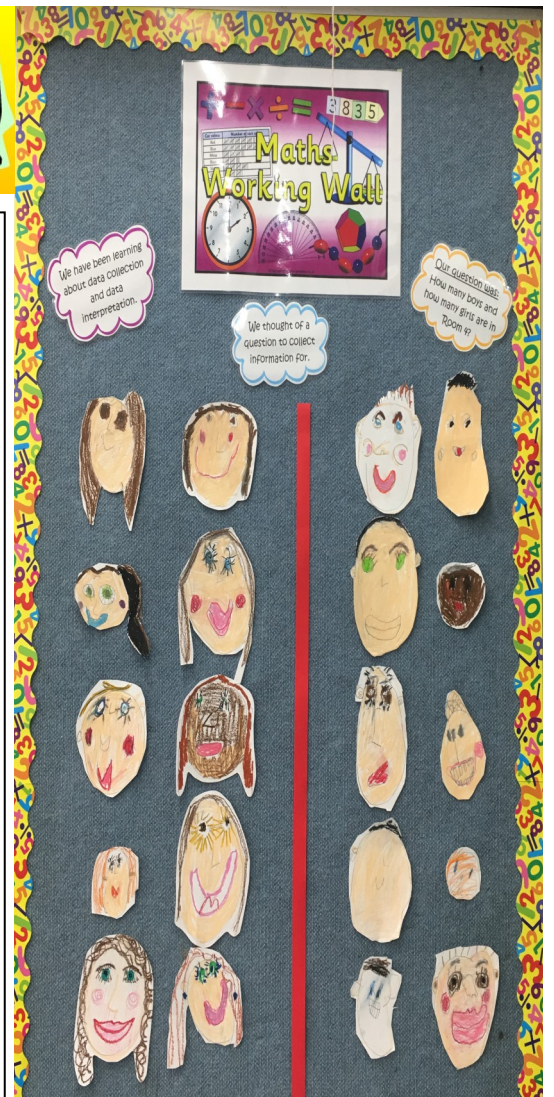

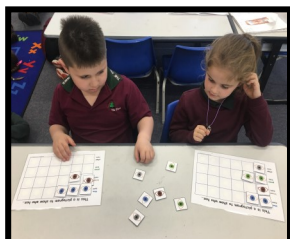

Miss Keryl

Room 4

In math lessons, we have been learning about data representation and interpretation. We have been posing questions and representing responses to questions.

We created a data display in our classroom that shows how many girls and how many boys are in Room 4. We have also played data collection and graphing games. Here are some pictures showcasing some of the learning activities we have enjoyed.

Qkr is here!

The Pines School has introduced a new method of paying for School and Preschool fees and also the ordering of lunches through the canteen.

It is a free app called 'Qkr' which is downloaded onto your mobile phone. Please note:

The app will not give you information about how much you owe in fees, you need to check your invoice or contact the school.

2018 School fees – the full year fee of \$250 is ticked by default but you can nominate "Enter Amount" to pay a different amount.

2018 Preschool fees – term 3 fees of \$70 is set as default but you can nominate "Enter Amount" to pay a different amount.

Canteen lunch orders – you can pre-order lunches in advance by nominating the date. The cut off time to order lunch on the same day is 9:00am.

Information about the app is also available on the school website and on Skoolbag.

For further information please enquire at the school the front office.
