

Leadership News

Dear Families,

We have had a very good Term 3 with students working hard and making great progress. We wish all children and their families a safe holiday break. School will recommence on **Monday, 14th October.**

Sausage Sizzle on Sports Day

We need volunteers to help with our Sausage Sizzle stall.

Between 9:30am to 1:30pm.

Any time you can spare would be very much appreciated, from half an hour to an hour (or more). Come and speak to a staff member if your able to help, even for half an hour.

On Saturday 14th September, 23 of our students performed on stage at the Adelaide Festival Theatre as part of the Public Primary Schools Festival of Music.

The Primary Schools Festival of Music, an official state icon, is a public school-based music education program, which is a collaboration between the Department for Education and the SAPPS Music Society, which gives all SA public primary students the opportunity to perform at a prestigious venue.

It was a spectacular event that our students trained for all year and enjoyed being a part of.

Congratulations to the Senior Choir and thank you for representing our school so well.

Life Education Visit

Did you see Harold the Giraffe as you arrived at school during weeks 8 and 9? We were very lucky to have had the Life Education Program come to our school and run health sessions about a variety of different topics with all of our classes.

All sessions were very engaging, relevant and practical. The feedback that Miss B and Mr Eldridge was very positive and filled our buckets right to the top! We are very thankful to Jade and Isabella who were the educators over the two weeks. We hope to see the Life Education Van back at our school again ☺

On Friday, 23 August Mr Dunning and Mr Mike took the Year 6 and Year 7 Boys Soccer team to the SAPSASA Boys Soccer Competition at Argana Park. The boys did very well winning 3 games and losing 2 games. They were able to come third in their division and played well in all 5 games. The boys were presented a medal each by Mr Dunning and Mr Eldridge.

ROOM 35 Optical Illusion Art

As part of Visual Arts in term 3, the Year 5's created, designed and published optical illusion art pieces. To help the students enhance their art they have been learning about the elements and principles of design. Below are some final pieces that include examples of contrast, repetition, line, colour and shape.
